THE SIMPLE RULES

There's no complex rules, there's no rigid paths to follow, and there's no time limit, and there's no limit on how many people you can help in your precious lifetime. Your heart will know what is right for you to do for your world. When you complete your first three Love Gifts, simply start the WEPI Love Program again if you wish ... **REMEMBER:** Your Love Gifts are **UNCONDITIONAL** Love Gifts **FORWARD.**

But do remember that your Love Gifts that you give to your three people must be difficult or challenging gifts for you to give. Only you will know what difficult or challenging is for you. They have to be a bit of a sacrifice for your Love Gifts to be magical and powerful. And accept nothing in return for your Love Gifts.

To begin the Program: simply print four (4) copies of this **Gift Three Forward Program** page and fill your copy in as you help your three precious people, and give your three Love Recipients each a copy of this page and ask them to go to **WEPI's GiftThreeForward.Com** website and do or duplicate the same. Again, to begin your Program to start the Love Ball rolling for you, **FIRST** enter your name in the space above, and simply check or tick each Love Circle above after you complete each of your wonderful three Love Gifts that you commit to giving to your world, and rejoice as your Love Magic explodes globally ...
